PROJECT STORY

Tell an interesting story of what you have done this year with your water fowl project. Photographs and other illustrations may be used to help tell your story more clearly.

1. What kind of water fowl did you decide to raise?
2. Why did you select this breed?
3. How many did you start?
4. How did you brood your water fowl?
5. What was your feeding method?
6. What did you do to keep healthy conditions for your water fowl?
7. Where did you sell your water fowl and eggs?
8. What are your water fowl plans for the future?
9. What part do you take in the local, county, and state 4-H activities?
